

WINE LIST

ROSE

Dry Rose is extremely versatile at the table! Quenching and fresh, they provide the perfect foil for a wide variety of food. We love to serve our Rose selection with ribs, our seafood dishes and our bar snacks and we'd do it all year long if we could.

PINOT NOIR

This selection of wine varies from light and fruit forward to aromatic, complex and medium weight wines. For silky, earthy, mineral laden dark cherry fruit look to Oregon Pinot Noir or for a touch more red berry fruit look to California Pinot Noir.

FROM THE VAULT

This list of wines represents some of the finest wines we've been able to acquire over the years...ever expanding yet ever depleting, the quantities are very small... We've chosen to price them at very small margins in hopes that you may indulge. We don't want to be a library for wines, we want to see you enjoy these gems!
